SENTINEL GUARDIAN Water Softener

✓ **Clack Matrix Valve**
High Efficiency Control Valve

✓ **Reinforced Fiberglass Tank**
Freeze Resistant Reinforcement

✓ **1" Manifold Pipe**
High Flow Throughput

✓ **Resin**
The 8% amber water softening resin is a high-quality, high-capacity resin designed to efficiently soften water by reducing calcium and magnesium ions that cause hardness. With an 8% cross-linked structure, it offers excellent durability and long-lasting performance, ensuring consistent, high-efficiency water softening even in demanding conditions. Ideal for residential and commercial applications, this resin provides a reliable solution to enhance water quality, improve appliance efficiency, and extend the life of plumbing systems by effectively preventing scale buildup.

✓ **Clarifying Gravel**
For Efficient Distribution and Filtration

Keep your drinking water clean and safe with the KNIGHT SRO-450 Series Reverse Osmosis System. It reduces the levels of lead, nitrates, cysts (cryptosporidium, giardia), arsenic, sodium and other contaminants commonly found in unfiltered tap water. The easy to install system offers quality water at your fingertips 24 hours a day, 7 days a week, 365 days per year. KNIGHT SRO-450 cartridges are the highest quality to ensure clean, purified water. Your family, friends and pets will love the taste and enjoy all the benefits of healthy water.
